## On-the-Go Woman's Silk Set

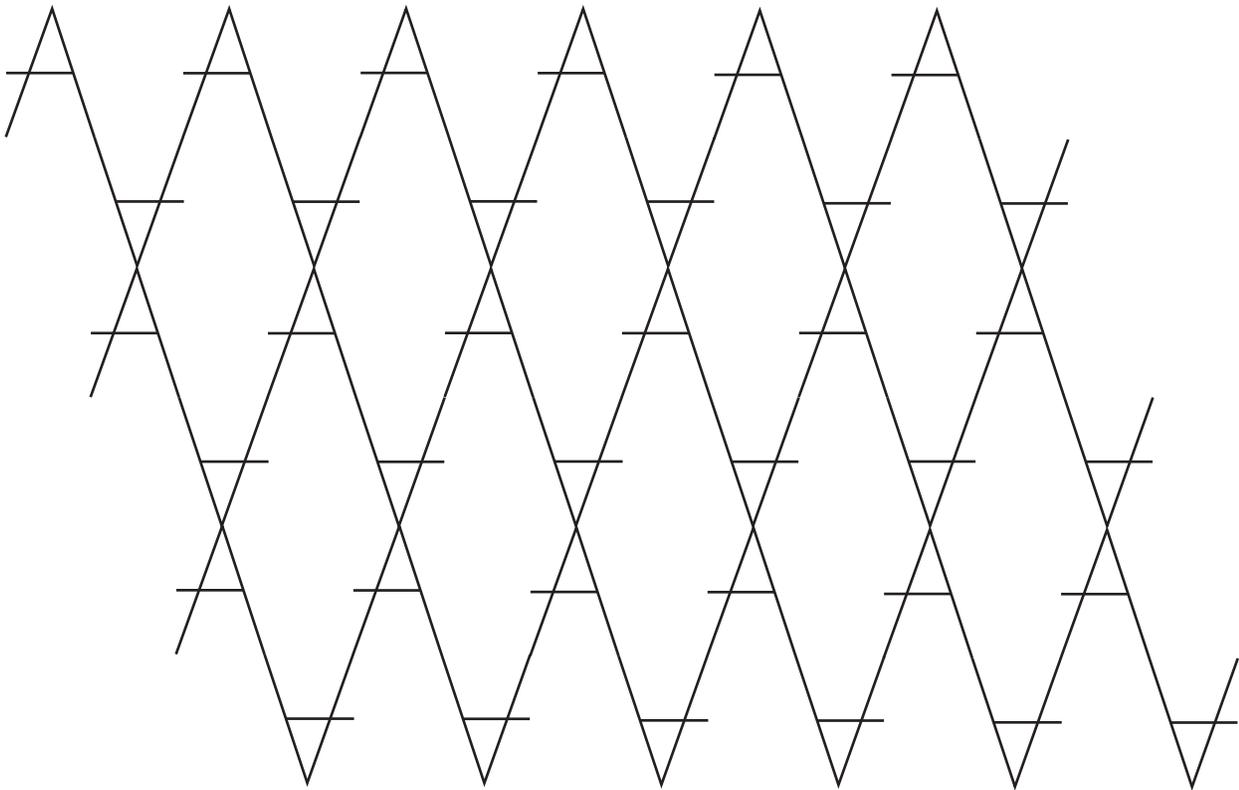

Mulberry Silk

Buttons lined with same fabric / print  
lapel is too small here-would want  
it more normally sized

Retail Price: Aiming for \$300-\$500

I want the houndstooth to be smaller  
1-1/2" Shirring at waist; mid rise  
French seam

As well as the houndstooth, I want to have this pattern as well.  
It is done a bit messily here  
but the idea is to have my logo (displayed below) on the shirt.
